Undergraduate Microprogram in Big Data Analytics – GPA 3.8/4.3

Montreal, Canada
Sep 2019 – Apr 2024
Sep 2022 – Apr 2023

PROFESSIONAL EXPERIENCE

Research Analyst, Consumer Insights

Omnicom Media Group – Montreal, Canada

Mar 2026 – Present

- Synthesized consumer research into strategic recommendations and presented findings to clients and senior marketing stakeholders to support campaign decisions.
- Developed self-service reporting tools that reduced ad-hoc analysis requests from days to hours, and improved access to consumer insights.

Junior Data Engineer, Marketing Science

Omnicom Media Group – Montreal, Canada (*Internship: Jun – Aug 2025*)

June 2025 – Mar 2026

- Led the modernization of reporting infrastructure across 20 client accounts, consolidating data from multiple platforms (GA4, DV360, Meta, TikTok, etc.) and reducing reliance on manual reporting processes.
- Designed a budget monitoring framework providing teams with real-time visibility into campaign performance and spend management.

Business Strategist, Analytics Consulting Project with AtkinsRéalisis

McGill MMA capstone – Montreal

Sep 2024 – Apr 2025

- Investigated the drivers of gross margin erosion across 15,000+ engineering project records, identifying operational inefficiencies and financial risks.
- Developed a financial impact model and presented recommendations to client leadership to prioritize improvement opportunities and reduce project overruns.

LEADERSHIP & COMPETITIONS

Cognizant x Aston Martin F1 Team – Gen-AI Idea-thon

Participant – Montreal Cohort

Apr 2025 – Jun 2025

- Pitched a Gen AI concept to grow Aston Martin F1 fan engagement to a Cognizant/AMF1 expert jury (team of 6)

BRSM x ALDO – Generative AI Retail Hackathon

Participant – Montreal Cohort

Oct 2024

- Built and deployed a Gen AI retail prototype on AWS in 48 hours; presented to ALDO's CEO; won the AWS Tech Use prize

UN WOMEN – Vice-President

University of Montreal

Sep 2020 - Sep 2023

- Organized events and initiatives promoting gender equality and student engagement while coordinating activities across executive team members.
